WHAT'S INSIDE

Soccer is in full swing with students playing games vs. Ursuline, Nobles, Thayer, and Roxbury Prep.

BPD's Women in Blue is partnering with MCAEC on Thursdays 4:30-6:30 for Basketball Clinics.

- Class Sponsor Breakfast 10/25
- Student Council Announced
- Library Update

Meet the Staff: Assistant Principal Jennifer Muñoz

FROM THE HEAD OF SCHOOL

Our new library is ready and open for all students to enjoy. Teachers can sign up their classes during the school day to explore the variety of books and relax in the comfortable bean bag chairs.

Our Makerspace is well underway with a 3D printer, robotics kits, and sewing machines. We will have hands on, collaborative projects available for students throughout the year that focus on technology and science.

Sixth graders went to Step Into Art this month at Harvard University to plan how they will exhibit their art projects this year. We are thrilled to have Lucii Bailey, MCAEC alumna, teaching Art one day a week.

Lisa Martin, mother of Elizabeth, has been named Chair of the Parent Focus Group. Lisa will gather interested parents for an October meeting to organize a school fund raiser.

We are happy to announce we have all five classes fully sponsored for this year. We will host a sponsor breakfast on October 25 where sponsors will get to meet and talk to their respective classes.

Happy Fall to all of you and thank you for your continued support of our students and programs.

Warmly,

CORE 24

MEET THE STAFF: ASSISTANT PRINCIPAL MUÑOZ

Jennifer Muñoz, Assistant Principal, re-joined MCA in 2017 with 6 years of administrative experience in an all-girls school environment. She is responsible for student life, student activities, as well as guiding students and families in preparing for high school as well as the high school application and selection process. A First Team All-American soccer player, Ms. Muñoz graduated from Hamilton College with a BA in Public Policy.

"As both a high school and college scholarship recipient myself, I was given opportunities and resources that I otherwise would not have had access to. Someone believed in me and that opened doors I didn't know existed. It's my turn to pass it on, helping our students with access to high school opportunities. It's a privilege and honor to work at Mother Caroline Academy."
