"I am truly grateful for joining the Mother Caroline Community, as I have been welcomed with open arms. It has been so wonderful working with the families and getting to know all of the students. While we have not yet been able to be together in person, there is something special about opening our homes up to one another and navigating this new learning experience together. I am blessed to be able to wake up each day and do what I love to do and be where I feel I am meant to be." - Gabriella Pesce

Great job everyone!" - Jillian LaFond
